

A black and white line drawing for a Halloween coloring page. The central text 'TRICK OR TREAT' is written in large, bold, outlined letters. The background is filled with various Halloween motifs: several ghosts with large eyes, striped party hats, a spider, a witch's hat, a bat, a bee, and three jack-o'-lanterns at the bottom. On the right side, there is a detailed drawing of a house with a window and a door. Small stars are scattered throughout the scene.
